

Phyllis Scholl | lic.iur. | lic. rer. publ. HSG | LLM | Attorney-at-law

Partner | Head of Legal Advice

Phyllis Scholl has broad and long-standing experience in Company Law, Contract Law and Public Law. She is also a specialist for corporate governance matters.

She has unique experience with M&A transactions in the energy sector and with more than 10 years of experience in the field, has gathered very broad industry knowledge in all areas of energy production and transportation (mainly electricity and gas).

Phyllis Scholl sits on the Board of Directors of two companies quoted on the Swiss stock exchange (Alpiq and Energiedienst) as well as on the Board of Directors of two other Swiss-domiciled companies. Before joining Baryon AG she was active for 15 years (6 of which as a partner) in a leading international business law firm (Bär & Karrer Ltd.).

Since 2012 the Ranking Agencies list Phyllis Scholl in tier 1. Clients describe her as: "very pragmatic, always develops solutions and is very quick", "she doesn't just consider the legal side and has a holistic approach", "a leading figure for corporate and regulatory matters within the energy sector", "sharp analytical mind", "grasps issues very quickly and finds solutions skillfully". Phyllis Scholl is regularly awarded in WWL Thought Leaders, Best Lawyers, Chamber Europe.
